Korean Digital Marketer: Naver, Kakao, Instagram

★★★★★ 5.00 May 18, 2022 - Jun 13, 2022

"Zohid was very responsive and was amenable to the tasks at hand. He had a sufficient depth of knowledge and the work turn around time was above what I expected (which is already a high bar). We really liked him.

Towards the end of the project, he stopped billing us for consulting which was very generous of him. However, we do wish we would have been billed (and even prompted him to bill us) in order to capture his full attention. Other than that, he was very pleasant to work with. Response time, phenomenal!"
